Dear Ken,  
It is a good thing  
you are not totally Jewish,  
or you'd go through life hating  
yourself (because of your initials). You  
have a good way of turning boring  
lunch periods into wild and crazy times.  
Good luck and don't get pregnant.  
Your friend,  
Mike John

Ken,  
Even know you are quiet  
a weird kid and have gotten on  
my nerves many times I am  
still glad and honored to know  
a person like you. I mean what  
would lunch be without Ken Kepp  
Good luck  
Mark Cimino

Ken,  
It was really great  
having you in Mr. K's  
Class always bugging me  
oh I still owe you .25¢ (you will never see it)  
for the pen (H.K.) Good luck  
in the future and have  
a great life.

Good luck  
Vito  
(Mark Connolly)

Best I feel Ken  
I hope to stop into  
your coin store  
someday

R. Wood

Hey Ken,

Even though you  
and have fought a  
couple of times, you  
still a one of a kind  
person. Good luck  
Jim

Even though you  
still can't

years. Good luck. I've had  
a good year. Stay out of trouble.  
Take it easy.  
Your friend.  
Bruce

Ken,  
Good luck in the future and  
keep cool. Don't get too messed  
up over the summer  
Jim

Ken,  
What do you know.  
We finally made it.  
It took long enough. Well  
I guess this is the end. Good  
luck in your future and  
may everything you do turn out  
good. Hope I see you around.  
Tom Luck

Ken,  
You been a great friend through  
the past 6 years. Remember going to

in plugging those donuts.  
Take it easy.

Ken, the years  
last three years  
I have enjoyed  
rapping with you.  
I have no way of  
telling you as you have  
affected me as you have  
you all I have to say is see  
of the logical mind's eye, & out  
fresh in my mind. Your voice & life  
of sense with me. Your voice & life  
that shared with me. Your voice & life  
your ideas, your feelings, your voice & life  
there will be many pressures to pull you off center  
their presence I feel, at some point you find  
a way from self. I want you  
control have lost it. I want you  
must & re-find your self. I want you

Dear Ken,  
Thank you for being the only one to  
recommend "The Meaning of Life" because I loved it. Just  
remember how insignificant we are in the galaxy so I think  
we should donate our lives while we are alive. I expect  
to see you hosting "Break Previews" someday. Thank you  
judgment. Stay loose.

Ken -

There's really not much I can say  
I have known you since you were a little  
gob, and you bugged me back then.

Even though you got on people's nerves,  
you were really a nice kid.

There were times when I wanted  
kill you but there were times  
Ken became the cool dude.

I hope your future plans come  
through, and I hope you have a  
great summer.

Good luck. Keep in touch.  
John Malone
